

CANCER MOONSHOT LUND SYMPOSIUM PROGRAM

23rd May, 2018

Department of Biomedical Engineering
&
Department of Clinical Sciences, Lund
Klinikgatan 32, BMC D15
Lund University

SESSION I

Chair: Johan Malm, Lund University and Region Skåne, Lund, Sweden

09.45 *Opening*

Johan Malm

09.55 *Welcome on behalf of Region Skåne*

Hannie Lundgren, Region Skåne, Lund, Sweden

10.05 *Cancer Moonshot Horizons – Australia (WEB Link)*

Mark Baker, Macquarie University, Sydney, Australia

- 10.20 *Introduction*
György Marko-Varga, Lund University, Lund, Sweden
- 10.30 *The Cancer Moonshot Program and the European Cancer Moonshot Center Lund*
Magdalena Kuras and **Indira Plá Parada**, Lund University, Lund, Sweden
- 10.45 *Patient Presentation*
Agnes Kozma, Budapest, Hungary
- 11.00 *Relative Presentation*
Mary Tivadar, Pacifica, California, USA
- 11.15 *The Doctor-Patient Interaction*
Lotta Lundgren, Oncology Dept, Region Skåne, Lund, Sweden
- 11.30 *The Big Picture within Cancer Diseases*
Håkan Olsson, Lund University Hospital, Lund, Sweden
- 11.45 *Imaging the Tumor*
Goutham Edula, BioImaging AB, Sweden
- 12.00 *A Dialogue on the Tuvas Cancer Foundation*
Patrik Sjöberg and **Martin Bekken**, Tuva's day, Varberg, Sweden

12.25 Photo Session

12.40 Lunch

SESSION II

Chair: Roger Appelqvist, Dept of Biomed Engineering, Lund University, Sweden

- 13.30 *Patient and Relative Presentation*
Jessica and **Peter Ekolind**, Ängelholm, Sweden
- 13.50 *Proteogenomics: Enabling the Next Generation of Medicine*
Thomas Conrads, Inova Schar Cancer Institute, Washington D.C., USA
- 14.05 *Cell Based Therapy*
Chris Allen, ThermoFisher, San Jose, California, USA
- 14.20 *Combining Patient Surgery with Pathology of Melanoma Cancer Cases*
Istvan Nemeth, Pathology Szeged, Budapest, Hungary
- 14.35 *BIG-Data and how it can Impact Cancer Patients*
David Fenyö, New York University, New York, USA

14.50 *The Story of Proteomics. What is it, and who will tell it?*
Garry Corthals, University of Amsterdam, Amsterdam, The Netherlands

15.05 *Surgery of Cancer Patients in Vienna*
Theresa Stork, Vienna Medical Center, Vienna, Austria

15.20 Coffee

15.40 *Patient Presentation*
Pelle Körberg, Varberg, Sweden

15.55 *Proteogenomics: Making Precision Medicine Real for Cancer Patients*
Christoph Borchers, Victoria University, Victoria, Canada

16.10 *Cancer Moonshot Program (WEB Link)*
Henry Rodriguez, NIH, Bethesda, USA

16.25 *Mental Training for Patients*
Igor Ardoris, Malmo, Sweden

16.40 *Round Table Discussions*
György Marko-Varga and **Johan Malm** Lund University, Sweden

Refreshments & Mingle at D13, BMC

17.00 Laboratory Tour at D13, BMC
(With four groups; **Indira, Magda, Jimmy, Andy**)

18.00 *End of the Symposium*
